Informational Meeting Regarding Proposed Traffic Changes on Route 202, Manchester

Wednesday, June 24 at 6:30 PM

Manchester Elementary School
17 School Street, Manchester, Maine

MaineDOT representatives will be on hand to discuss the conversion of the three-lane section of Route 202 to one eastbound lane, one westbound lane and a center two-way left- turn lane. This one-mile change would take place from the Old Winthrop Road (near J & S Oil) east to the Pelton Hill Road.

MaineDOT plans to test the effectiveness of the new lane configuration this summer by restriping the lanes.

To give us your feedback, go to **www.MaineDOT.gov** and look for the “My Sidewalk” link.
